

Ethan Wolcott | FULL STACK SOFTWARE DEVELOPER

Spokane, WA | EthanWolcott@gmail.com

Full stack developer with over 5 years building enterprise web applications across a wide range of industries.

Work Experience

14Four | Full Stack Software Developer | 09/2024 - 04/2026

- Architected and shipped scalable full stack web applications for large advertising agencies and enterprise clients including Frito-Lay, AT&T, and Providence Healthcare.
- Built responsive frontends using HTML, CSS, JavaScript, and Vue.js, React, and Angular.
- Engineered RESTful APIs with Swagger documentation across Python, TypeScript, .NET, NestJS, and Rust.
- Designed and maintained secure, performant relational databases in PostgreSQL, MySQL, and SQL Server.
- Provisioned and managed AWS infrastructure using Infrastructure as Code tools (Pulumi, Terraform).
- Streamlined CI/CD workflows and source control across GitLab, Bitbucket, and Azure DevOps.
- Cultivated strong client relationships through consistent communication and on-time delivery.

Limelyte Technology Group | Full Stack Software Developer | 05/2021 - 09/2024

- Built and maintained full-stack web applications in an Agile environment on AWS.
- Delivered solutions to varied industries like property title management, manufacturing, and CDL training.
- Optimized SQL Server, MySQL, and PostgreSQL databases across local and cloud environments.
- Partnered with clients, teams, and end-users to scope requirements and meet deadlines.

Medcurity | Software Engineering Intern | 12/2020 - 05/2021

- Extended PHP and JavaScript for a Laravel application assessing HIPAA compliance at medical facilities.
- Designed and launched a frontend analytics dashboard to surface client vulnerability data.
- Automated daily KPI metric collection via a custom Selenium pipeline, eliminating manual reporting.

Papa Murphy's | Business Manager | 09/2011 - 09/2021

- Managed operations and a team of 10-15 across three locations, including two new store openings.
- Grew net sales by 40% and was selected as a corporate seed store.
